Good morning,

My name is John Di Salvo and I applied for my carry and conceal in April of 2025. I am just curious to see if there have been any updates made? I haven't heard anything . Was hoping to get an answer or to get pointed in the right direction.

Thank you so much

Good afternoon. I have tried several times to contact the new applications department.  
Can you please provide me with the investigator assigned to my case ?

Good afternoon,  
I am following up for an update on my current concealed carry application. I have contacted the office numerous times as well as sent emails with no response. It has been nearly 10 months since I began this process.

Is anything missing from my application? Has anything expired?  
Please let me know if there is anything else I should be doing to complete this application.
