Here you go...

1. list the number of persons who've contacted your office in the past year complaining about late gun permits
  - a. 25-30 Constituents
2. Compile any emails/letters your office sent to the NYPD requesting action on late permits on the past year
  - a. All email strings have been saved and filed.
3. Compile all NYPD written responses to your office on the subject.
  - a. All email strings, complete with responses, have been saved and filed.

Hope this helps
